TECHNICAL TIPS ONLINE

Bags of free tips for molecular biologists

A unique online journal of peer-reviewed molecular biology techniques articles

http://www.elsevier.com/locate/tto
in Europe http://www.elsevier.nl/locate/tto

KEY FEATURES

- free to use
- coverage of: PCR, gene expression, cloning & sequencing, and much more
- discussion/feedback for all articles
- rapid publication
- EMBASE/MEDLINE abstracts
- information about products cited in articles
- new product information
